

Asbestos Awareness QHS Solutions Certificate

Aimed at

- All General Tradesmen. Electricians, Plumbers, Cablers, Painters and Decorators etc.,
- Supervisors, Foremen, Managers and Directors who are responsible for works being carried out where there is possibility of Asbestos being present.

Course overview

This **half day course** is to provide detailed information on asbestos awareness and guidance about the introduction of new duties to manage Asbestos in the Control of Asbestos Regulations 2002 (as amended 2006). **4,000** people are going to die this year in the UK from Asbestos Related Diseases. HSE advises that these numbers will not peak until **2015-2020**.

Benefits

To give awareness of asbestos containing materials (ACM's) in workplaces. Groups are limited to 8-10 persons.

This course meets the HSE objectives and CAR 2006 Regulation 10 for Asbestos Awareness Training

Coverage

- Asbestos facts
- Types of Asbestos
- Exposure to Asbestos
- Health Risks
- Main types of Asbestos material
- Possible locations of Asbestos
